

# RoseRyan helps across the lifecycle

Companies have unique financial challenges at various stages of the business lifecycle. As companies start, grow, expand and evolve, they ride a rollercoaster of managing growth and overcoming obstacles. Toss in an IPO, merger or acquisition or two, and a company might ride off the rails. Our dream team of savvy pros love a good challenge, wherever a business is in its lifecycle.

## 1 Start

### You've Seen the Future. Now Go Get It.

Coordinate your financial strategy and operations to align to your roadmap. We'll develop solutions that take your startup capital further, weigh financial risk, keep an eye on costs, while delivering top-quality work. Set yourself up with a team that has the experience to get the most from your hard earned resources.

## 2 Grow

### Level Up

With organizational maturity comes accounting and finance demands of ever-increasing complexity that must be executed at scale. To navigate the twists and turns of this phase we offer the financial planning, team augmentation, system implementation, revenue recognition, and more, needed to propel your organization to the next level.

## 3 Expand

### It's a Whole New World

RoseRyan can get you through the complex, transformational transactions involved in the M&A or IPO process. It's more than just accounting and finance. We can help you with due diligence, purchase price accounting, integration, and more, to solidify your expanding position in the market. If you're poised for an IPO, we offer S-1 support, SEC reporting, and the sophisticated compliance requirements your company will need to meet.

# 4 Evolve

## Welcome to the Big Leagues

Your needs, no matter how complex, are our call to action. We offer the support to cover the essentials of doing business at this level. Be it strategic, restructuring, divestitures, spin-offs, acquisitions, and more.

## Our Solutions

RoseRyan has a full compliment of solution options created by our experts that deliver significant value to your business, no matter where it is in its lifecycle.

Small Business
