

# Strategic Projects

Team up with RoseRyan and together we'll take on whatever complex, strategic or financial issue you encounter.

## Turn to RoseRyan when you need:

### Audit Support

Audits are so much easier when you're prepared. Our team assists with planning, prepares financial statements, completes schedules and interfaces with auditors.

### IPO

Our IPO services help you prepare 1-2 years ahead, takes you through the transaction, and onward from "Day 2," when the transition to a public company begins.

### Stock-based Compensation

Know your options about those options. Properly reward your employees and understand the impacts before you finalize stock award agreements.

### Revenue Recognition Services

Recognizing revenue is hard work, let's face it. The new rules add a whole new layer of complexity when resources and skills are tight. We get you through it.

### M&A

We calm the chaos as you go through the wild ride of an M&A deal, from the due diligence process and tight deadlines all the way through the integration process.

### SEC Reporting

Meet regulatory requirements head-on with SEC experts. Our pros know what gets filings flagged for review and how to respond if a dreaded comment letter comes your way.

### Technical Accounting Services

Rely on our technical accounting aces when you're undertaking a new deal, an accounting change or a tricky transaction that tests your in-house skills.

### Divestiture

Sometimes you gotta say goodbye. Our experts know just what to do when it's time to shed a part of the business for strategic reasons. We get it done.

### Systems Review

Productivity and accuracy zoom upward when you have modern systems that keep pace with growth. Find out what your company needs now, with room to grow.

## Keep Calm

Call up our finance aces when a tricky transaction or accounting change is imminent. No need to stress about taking on something new or complicated—we excel at the tough stuff.
