

Supporting NatureBox through skyrocketing growth

Challenge:

- NatureBox's growth was skyrocketing as customers clamored for smart, delicious snacks.
- The innovative founders needed to ramp up to meet demand while continuing to delight customers with new food items.
- Struggling to keep pace with the explosive growth, the accounting organization needed financial leadership.

Solution:

- RoseRyan's expert CFO took charge of the fledgling finance team, joined by an accountant to shore up the ranks.
- New processes and strategic insights were put into play, setting the stage for the company's first full-time CFO and a new controller.
- Our business intelligence expert extracted key customer data for analysis to help senior leaders make better business decisions—and quicker.
