

RoseRyan takes companies further, faster

RoseRyan delivers tailored and tested finance solutions that help fast-moving companies get where they want to go. Our finance solutions keep companies on track during critical moments of the business lifecycle. We've helped over 800 companies, particularly in the high tech and life sciences markets, in the Bay Area since our founding in 1993.

What we do

Our battle-tested finance solutions bring specialized finance skills and best practices to your situation. No matter what stage of the lifecycle your company is in, our savvy finance and accounting pros can predict what lies ahead. We thoughtfully match the best consultants to fit in with the culture and vibe of your place. Our pros understand the Silicon Valley tempo and don't crack under pressure.

Who we are

Steeped in Silicon Valley savvy and deep experience as finance leaders and accountants, our dream team brings great finance wherever they go. We know both sides—having held prominent roles in industry as well as solid experience working with auditors.

Some of the roles held by our consultants:

- CFO
- Contoller
- Technical Accountant
- SOX Project Manager
- Internal Auditor
- FP&A Analyst
- Accounting Manager
- Revenue Recognition Expert

Who we serve

Our focus has been on powering forward the tech and life sciences sectors, and our experience and expertise allow us to consult in other industries—eCommerce, mobile, social media, and cannabis among them.

Some clients include:
