

LET'S GET READY TO **SPAC**

SPACs ARE A RISING TREND IN TODAY'S MARKETPLACE. IF YOUR CLIENT'S GOAL IS TO BE ACQUIRED BY A SPAC, THERE ARE A LOT OF FACTORS TO CONSIDER TO ENSURE THEY ARE READY.

When taking the SPAC route you must keep in mind:

- The intense time crunch to complete the transaction
- Ensure the company is prepared - they must be ready to follow SEC compliance the minute they are acquired by a SPAC
- There is much more scrutiny as a public company

But don't worry, you're not in this alone.
