

WITH ORGANIZATIONAL MATURITY COMES ACCOUNTING AND FINANCE DEMANDS OF EVER-INCREASING COMPLEXITY THAT
MUST BE EXECUTED AT SCALE.

To navigate the twists and turns of this phase we enhance your financial and accounting infrastructure, preparing you for increased investor demands and audits, and ensuring your processes and systems can scale with your business to propel your organization to the next level.

THE CHALLENGE:

- A whole new wave of financial requirements impact fast-growing companies
- Everyone is in ramp-up mode, taking on new demands—it's all hands on deck
- They're scaling and adapting processes and trying to cope with all the changes
- Managing hyper-growth well requires smart moves, foresight and top talent
- As the business becomes more complex, so do the finance and accounting issues

WHAT SCALING BUSINESSES NEED:

- Tailored financial services that match the company's need for speed
- Bringing order to the chaos with trusted finance pros guiding the way
- Practical guidance on setting up everything for accurate financial reporting
- Expertise to fill gaps on the accounting team or at the CFO or controller level
- Guidance on the "firsts" ahead, like the first audit

THE SPECIAL VALUE ROSERYAN BRINGS:

- Tailored finance solutions for your situation, including best practices
- Our team approach provides strategic and tactical finance when you need it
- Pros who go above and beyond to provide quality work on the company's timeline
- We're all about practical solutions, taking the company's status and goals into account
