

# YOUR EXPANDING BUSINESS CONTINUES TO EVOLVE.

You need guidance and support as you navigate your way through strategic decisions, increased complexity and heavy-duty compliance requirements. We provide practical, proven solutions for restructuring, divestitures, spin-offs, acquisitions, complex accounting transactions, process improvements and more.

## THE CHALLENGE:

- One moment the business is sailing along, the next it's facing a strategic choice
- Taking on a one-time transaction, like a merger, spinoff or divestiture, requires expertise the company doesn't possess on its own
- The finance team must conquer mountains of reporting, compliance and regulatory needs
- It falls on the finance team to restore integrity under a restatement or regulatory mandate
- No matter how proactive your planning is, sometimes you need extra help

## WHAT EXPANDING BUSINESSES NEED:

- Trusted advisors can help in a pinch if a reorganization or restatement is imminent
- Input from experts who will pass along valuable lessons learned from similar situations
- Assistance with SEC reporting, corporate governance, financial modeling and more
- A close look at revenue accounting, stock comp plans and other complex accounting rules
- Experts who can augment staff skills or simply pick up the extra load

## THE SPECIAL VALUE ROSERYAN BRINGS:

- Interim finance professionals to help bridge a gap
- Best practices, tool and templates wherever we go
- Our collective experience can be mined to navigate complex decisions
- Expert consultants with years of relevant experience that can calm the chaos or jump in to bridge a gap
- Pros who go above and beyond to provide quality work on the company's timeline
