

KEEP CALM.

CALL UP OUR FINANCE ACES WHEN A TRICKY TRANSACTION, STRATEGIC SHIFT OR ACCOUNTING CHANGE IS IMMINENT. NO NEED TO STRESS ABOUT TAKING ON SOMETHING NEW OR COMPLICATED—**WE EXCEL AT THE TOUGH STUFF.**

Turn to RoseRyan **when you need:**

AUDIT READINESS

Audits are so much easier when you're prepared. Our team assists with planning, prepares financial statements, completes schedules and interfaces with auditors.

TRANSITION SOLUTION

Whether shedding a business, absorbing a newly divested entity or physically moving your business, our expert transition services can fill the gap until the business unit can stand on its own or be fully integrated.

TECHNICAL ACCOUNTING

Rely on our technical accounting aces to implement a new accounting standard, determine the correct accounting for a nonroutine transaction, take on a complex accounting issue and more.

IPO & SPAC

Before your IPO, we'll get your systems and processes in shape to withstand the increased scrutiny and demand for more timely financial information, while building in flexibility for a detour if a SPAC deal comes along. We'll take you through the various complexities of the SEC filing process, and help with the requirements for the major transition involved in becoming a public company.

M&A

We calm the chaos as you go through the wild ride of an M&A deal, from the due diligence process and tight deadlines, to proper recording of the purchase transaction, and all the way through the integration process.

NEW ACCOUNTING PRONOUNCEMENTS

Mammoth accounting standards ASC 606 and ASC 842 have put accounting teams through the wringer with their complexity and far-reaching impacts. Experts in implementations of the revenue recognition and lease accounting standards will get you through the changes, and prepared for the auditor scrutiny ahead.

FINANCIAL STATEMENT RESTATEMENTS

When the unfortunate happens, finance pros can get you through it, by acting swiftly and carefully to get the accurate information out there.

SYSTEMS REVIEW

Productivity and accuracy zoom upward when you have systems that keep pace with growth. Find out what your company needs now, with room to grow.
